DECLARATION OF GEORGE B. LEAVELL

Sir/Madam:

I, George B. Leavell, hereby declare as follows:

1. I am an attorney with the Attorney of Record, Blakely, Sokoloff, Taylor & Zafman LLP, for the above-identified patent application entitled "ENHANCED SPECIAL PROGRAMMING MODE."
2. The invention described in the above-identified patent application was invented by Paul Ruby and Terry Kendall.
3. The above-identified patent application was filed with the U.S. Patent Office on December 27, 2000.

4. A number of attempts have been made to present a copy of the application papers, specifically the Declaration and Assignment documents, to Terry Kendall for signature via telephone, post and electronic mail, specifically:

5. On or about May 21, 2001, I called Terry Kendall to ask him to sign and return the Declaration and Assignment documents, which Mr. Kendall had received on or about May 9, 2001. Mr. Kendall explained that he was no longer employed by the assignee of the above-entitled application, Intel Corporation. Mr. Kendall further explained that because he was no longer employed by the assignee, he did not intend to sign the Declaration and Assignment documents.

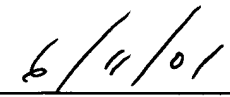

6. On or about May 22, 2001, I called Terry Kendall to again ask him to sign and return the Declaration and Assignment documents. Mr. Kendall replied that he "might get around to signing the documents" but he was not willing to "make the trip to the Post Office" to send the documents back to my office to be filed.

7. The last known address for Terry Kendall is:

5310 King Martens Ct.
Placerville, CA 95667

8. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

George B. Leavell
